Information regarding Patent and Design Registration

Notice Published Date: 14th January 2026

Due to the arson and vandalism that occurred on September 09, 2025, the physical files in the Industrial Property Branch of the Department were destroyed, causing problems in the registration and renewal of patents and designs. All applicants who had applied for registration and renewal of patents and designs with the Department before that date are requested to submit their applications again within 90 days from the date of publication of this notice by attaching the necessary documents and making a copy of the file. This notice has been published for the information of all concerned.
